

Mountain Dell Recreation Area Cross Country Skiing Track

Elevation 5750 Feet - 1753 meters
Map prepared by Dan Smith - December 2010

This cross country ski track is provided and maintained by volunteers of The Utah Nordic Alliance (TUNA). Please pay the daily track fee to help cover the costs of maintaining this ski track. Cross country skiing is a strenuous activity and carries significant risks of personal injury. Participants must take an active role in understanding and accepting these risks.

SKI AT YOUR OWN RISK. HAVE FUN.
